

# The Kimpton Communicator

Issue 11

Wednesday 27th March 2024

## Head's Lines

And just like that, another term comes to an end. Today also marks two years since I took over as Headteacher at Kimpton, and I can safely say that I couldn't be prouder of the progress the school, the children and teaching team have continued to make. Like all jobs, there can be highs and lows but at Kimpton, we certainly have more of the former.

Spring Term has been a hive of activity, and I wanted to take this opportunity to congratulate all the children that have represented the school in sports this term. The football, netball, tag rugby and hockey teams have been outstanding this term and have modelled the K Factors of Respect, Responsibility and Resilience in abundance. There have been several wins and an incredibly high number of draws but most impressive, has been the improvements seen as each team developed and improved.

On the theme of the K Factors, we launched our new Hub Groups this term.

A big congratulations to Bronze Hub for winning this term but the most impressive figure is the grand total of hub points earned by **all** children. Our termly goal is always 3000 hub points which is no easy feat and last term, we fell short of this by just a few hundred. However, this term our amazing children have smashed it with a whopping 3236! This truly shows the hard work and commitment to learning that all our children have shown.

As you will be aware, we have recently managed to start developing our outdoor learning space and we have two major fundraising goals: first to continue the development of the outdoor learning space and second to update the pupil laptops. Without your help this would not be possible, so thank you for all you do to support the wonderful PTA events. The Easter Egg Hunt was a big success this afternoon and make sure you spend the Easter holidays preparing for the Kimpton Quiz Night. This annual event is enjoyed by many and myself, Mr Dadswell, and the PTA look forward to hosting another fun evening on **Saturday 20<sup>th</sup> April**.

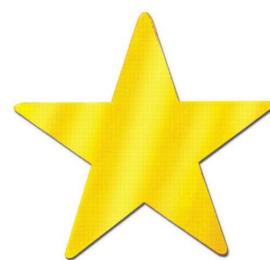

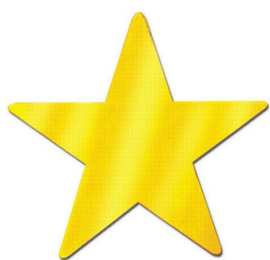

We've ended the term celebrating Mrs Vine and her amazing career at Kimpton. Words cannot express how grateful we are for all her years of service and we wish her all the happiness in the world as she begins the next chapter in her life.

We hope you all have a lovely Easter and look forward to seeing all the children ready for the summer term.

**Mr Ferguson**  
Headteacher

## Up Coming Events
